Material change

Manufacturer: Fiat, Iveco

Models:

Fiat: Ducato

Iveco: Daily

Engine: 2.3 D, 2.3 TD, 2.3 JTD

Part no.: 531 0505 10

530 0232 10

For current listing refer to catalogue media

Fig. 1: Old design with plastic running surface

Fig. 2: New design with steel running surface

As part of the continuous development of our products, the running surface of tensioner pulley 531 0505 10 has been changed from plastic (Fig. 1) to steel (Fig. 2).

During the conversion phase, stocks may become mixed with both new and old design parts.

Both tensioner pulleys meet the technical specifications and can be used on the listed vehicles without restriction.

Please observe the vehicle manufacturer specifications!
